L A B

All FlyBag LAB products are designed and produced in-house in limited edition batches. When we see that the fly fishing community embraces a product, we elevate it to the FlyBag System. This approach helps us minimize production waste while fueling our passion for developing intricate fly fishing products.

Mount on FlyBag Hero

Snap the Tip Wheel between the two Fix Cords on the front or backside of the FlyBag Hero.

Floats

The Tip Wheel floats even with your heavy sink tips.

Holds two Tips

The Tip Wheel holds two tips, each measuring up to +14 feet.

Auto Retrieve

With its retractable feature, you can retrieve one tip while simply pulling out another.

Fits tippet holders

The center hole makes it fit most tippet holders on the market.

Mount on FlyBag Hero.

It floats!

Retractable feature in action.

Tip Wheel | Material Spec

Wheel: PP Plastic

Elastic Cord: 50% Polyester / 50% Rubber Threads

Our Material

Raw Corium® / Recycled Leather + Natural Rubber

FlyBag products are made of highly durable and sustainable Raw Corium® which is a blend of recycled spill overs from the Italian leather industry. It's bonded with natural rubber and is very tear resistant. It looks like leather and ages with beauty.

Sustainability

Low impact

From day one we aim to keep a low impact on our planet. To do this we put a lot of time in the design process to be able to produce FlyBag in Sweden with as little parts possible.

Hand made by retired fishermen

Due to our design and development process we can make our products locally without even a factory line. We take great pride in the fact that our products now are assembled by retired fishermen in the heart of Sweden.

FlyBag LAB

To support sustainable growth and development, we release FlyBag LAB. All FlyBag LAB products are produced in limited edition batches. When we see that the fly fishing community embraces a product, we elevate it to our FlyBag line up. This approach helps us minimize production waste while fueling our passion for developing quality fly fishing products.
