

## Action Mount

An action camera mount for the FlyBag Hero. The mount is placed in the peang pocket at the back of the FlyBag Hero. Of course, you are still able to use it for the Peang.

## Action Mount | Material Spec

Base: Birch wood

Mount: Polycarbonate

## **Sustainability**

### **Low impact**

From day one we aim to keep a low impact on our planet. To do this we put a lot of time in the design process to be able to produce FlyBag in Sweden with as little parts possible.

### **Hand made by retired fishermen**

Due to our design and development process we can make our products locally without even a factory line. We take great pride in the fact that our products now are assembled by retired fishermen in the heart of Sweden.

### **FlyBag LAB**

To support sustainable growth and development, we release FlyBag LAB. All FlyBag LAB products are produced in limited edition batches. When we see that the fly fishing community embraces a product, we elevate it to our FlyBag line up. This approach helps us minimize production waste while fueling our passion for developing quality fly fishing products.
